## SIGNATURE STYLE

My signature is classic style, which will stand the test of time, expressed in any genre. Our unique interiors are thoughtfully planned to enhance the client's lifestyle. Attention to detail is a key element of Sharon McCormick Design's luxury design service.

## thoughts on...

**NEW YORK:** I love Metro New York for its resources, restaurants, antique shops and design centers. There is inspiration on every corner, particularly from the fashion industry.

**NEW YORK REAL ESTATE:** The Metro NY area offers an abundance of real estate opportunities, including lofts, brownstones and light-filled penthouses. In surrounding areas, there are fabulous estates, historic properties and waterfront homes. A designer's dream!

## her favorites

- 1 **Laguna Pearl wooden soaking tub by Alegna.** This ergonomically designed tub exhibits a timeless fluidity and comes in a range of varnished wood finishes. [alegna.ch](http://alegna.ch)
- 2 **Nancy Corzine** for stylish furniture and accessories with a cutting-edge flair. [nancycorzine.com](http://nancycorzine.com)
- 3 **The Garden Collection at Stone Forest** for stone furniture and sculptures that command attention through their use of fire. [stoneforest.com](http://stoneforest.com)
- 4 **Moissonnier** for furniture made in the tradition of French cabinetmaking but with a contemporary edge. [moissonnier.com](http://moissonnier.com)

- 5 **John Richard** for striking accent furniture, especially their imaginative use of eglomise. [johnrichard.com](http://johnrichard.com)
